This volume derives from a symposium held at the University of Leicester on November 19th 1994. We would like to thank the School of Archaeological Studies for financial assistance towards the cost of the symposium, and the staff of the University Library for their help. We should also like to thank the students from the School of Archaeological Studies who helped out on the day (particularly Colin Forcey, Tessa Hayward, John Robinson, Nicoletta Vullo, and Deborah Walker), and the members of the Roman Studies Seminar Group, for their insights and for their proof-reading. Our thanks are especially due to David Mattingly and Lin Foxhall, for their encouragement and advice, and to Alan McWhirr for his diligence and patience during the production stages. Finally, thank you to Jim, Maggie, Holly, and Jaya for their support and continued forbearance.
