Endorsements of the Heir Property Act

Numerous national organizations support the Heir Property Act. Our efforts are focused on Arkansas but many states across the nation are promoting passage of the Heir Property Act. Since 2011, three states - Georgia, Montana, and Nevada - have passed the act and many more are positioning themselves to do so this year. Because the act is relevant across the country, many national organizations have endorsed it; a selected few are listed below. Click each organization to read their letter or resolution:

- [National Bar Association](#)
- [American Planning Association](#)
- [American Bar Association](#) - Real Property, Trusts, and Estates Section
- [American Bar Association](#) - State and Local Government Section

Submit your endorsement

Endorsements from Arkansas organizations are critical for passage in 2015. The 2015 Arkansas Legislative session is just one year away. Please consider asking your organization to endorse the act. Such letters can be modeled off the various national letters or you may contact us for assistance. Local support letters will carry significant weight with Arkansas legislators. Letters from bar and attorney associations, real estate groups, planning organizations, civic and service groups, neighborhood associations, and affected voters are particularly valuable. Your personal and organizational support is critical as we prepare for the 2015 legislative session. Please send your organizational endorsements to us at arheirpropertyact@gmail.com. You are also welcomed to submit your individual name and county to be added to our supporters list.
