Friends,

I'm happy to report my paper on Ernest Hemingway has been approved for next year's international conference. I received the following note from the program director, Dr. Larry Grimes of Bethany College:

Dear Dr. Barnes,

Congratulations! Attached you will find a formal letter accepting your proposal to present at the 2020 International Hemingway Conference.

In the "formal letter" he wrote:

Your proposal, "**The Old Man and the Spree: What Two of Hemingway's Favorite Pastimes Reveal about His Later Outburst of Writing Success,**" is much anticipated at the 2020 International Hemingway Conference in Sheridan, Wyoming and Cooke City, Montana, July 19-16, 2020.

See you in the Rocky Mountain West!

Note: This is the paper I wanted to present earlier this year in Cuba, but things didn't work out.

I look forward to this important event. It will be my second paper on Hemingway.
