## **Summary**

This figure, 'Summary of ethical dilemmas and themes relevant to LBS' was developed for and included in the PhD thesis 'The Socioethical Implications of Body Worn Computers: An Ethnographic Study'.

The figure appears on page 48 of the final submitted manuscript.

The research was conducted in the Faculty of Engineering and Information Systems, School of Computing and Information Technology (SCIT) at the University of Wollongong with research strength Innovation in Business & Social Research under Principal Supervisor Professor Katina Michael (University of Wollongong) and Associate Supervisor Dr Teemu Leinonen (Aalto University Finland).
