

This chart is formatted the same as the DCC chart here:  
<http://www.dcc.ac.uk/resources/policy-and-legal/overview-funders-data-policies>

Here is what the terms mean:

<i>Policy Coverage</i>	Published outputs	A policy on published outputs e.g. journal articles and conference papers
	Data	A datasets policy or statement on access to and maintenance of electronic resources
<i>Policy Stipulations</i>	Time limits	Set timeframes for making content accessible or preserving research outputs
	Time frame	Details timeframes for making content accessible or preserving research outputs
	DMP	Requirement to consider data creation, management or sharing in the grant application
	Access/sharing	Promotion of OA journals, deposit in repositories, data sharing or reuse
	Long-term curation	Stipulations on long-term maintenance and preservation of research outputs
	Monitoring	Whether compliance is monitored or action taken such as withholding funds
<i>Support Provided</i>	Guidance	Provision of FAQs, best practice guides, toolkits, and support staff
	Article repository	Provision of a repository to make published research articles accessible
	Article location	Named repository where articles will be archived and made available
	Data repository	Provision of a data repository to curate electronic resources or data
	Dataset location	Named repository where datasets will be archived and made available
	Costs	A willingness to meet publication fees and data management / sharing costs

Please fill out the chart using the following:

Full	The policy fully covers this area
Partial	The policy partially covers this area
None	The policy does not address this area

Format notes

(A)	This info applies to article requirements (either tag or color)
(D)	This info applies to data requirements (either tag or color)

Agency acronyms

AHRQ	Agency for Healthcare Research & Quality
------	--

ASPR	Assistant Secretary for Preparedness and Response
CDC	Centers for Disease Control and Prevention
