

Survey

Thank you for taking part in this survey on the use of intelligent assistants for language learning purposes. Your answers will be completely anonymous. To find out more about this project, data protection, and how the data will be stored please read the agreement sent with the invitation to participate.

1. Have you read the agreement and agree to participate? If you answer is "no", you may exit this page.

2 Are you?

Male

Female

I don't identify as either male or female

3 How old are you?

Under 18

18

19

20

21

22

Over 22

4 Which level of Spanish are you currently studying at university?

1

2

3

4

5 Do you own a device with an intelligent assistant? (E.g.: Apple Siri, Google Assistant, Samsung Bixby, Amazon Alexa)

Yes No [end survey]

6 Which device(s) with an intelligent voice assistant do you own? Select all applicable answers.

Smartphone

Tablet

Smart speaker (e.g. Echo, Nest, Sonos)

7 How often do you use the intelligent voice assistant in your device?

Never [end survey]

Rarely

Occasionally

Regularly

8 What do you use the intelligent voice assistant in your device for? Select all applicable answers.

Answer general information questions

Information updates (e.g., sports results)

Play music / radio / podcasts

Set timers / reminders

Check the date or time

Shopping

Launch apps

Messaging

Other (provide answer)

9 Have you ever used the intelligent voice assistant in your device for language learning purposes?

Yes No

10 If yes, What purposes? Select any uses you have used an intelligent assistant for in terms of language learning:

Asking the meaning of a word in Spanish

Asking how to say an English word in Spanish.

Asking for information about the Spanish-speaking world.

Asking to play music / podcasts in Spanish.

Asking to play a radio station that broadcasts in Spanish.

Setting default language to Spanish to interact with it in Spanish only.

Any other uses not listed.

11 How much do you think that using the intelligent voice assistant in your device for the purposes you have selected helps with your language learning? Select a number between 1 (= not at all) and 5 (= a lot).

1-5

12 Now that you've read about some of the possible uses of intelligent voice assistants for language learning, how likely do you think you are to use the intelligent voice assistant in your device for any of those purposes? Select a number between 1 (= very unlikely) and 5 (= very likely).

1-5

13 Which features of intelligent voice assistants do you think would be useful for language learning purposes?

14 How would you rate the potential of intelligent assistants for language learning? Select a number between 1 (= not much) and 5 (= a lot)

1-5

15 Would you be willing to take part in follow-up research?

Thank you very much for taking part in this survey.
