

National College Podcast: Teacher Questionnaire

Thank you very much for taking the time to answer this questionnaire. We appreciate your help. The purpose of this questionnaire is to assess the success of National College Podcast and help us to improve our college visits in the future.

Please note that filling in this form is voluntary and all of the questions are optional. Any information you give in this form will remain anonymous. We will not share or publicise any information which may lead to an individual being directly or indirectly identified.

1. What did you find most beneficial about National College Podcast?

The opportunity itself - Students don't always get to take part in this + have their contributions heard.
Great that you could come to us!

2. How do you think your students benefitted from National College Podcast?

Trying a new text + contributing their views
Confidence - in their ideas + elaborating them

3. Did the close reading task change the way your students think about a particular topic or issue?

Yes - particularly the text itself as they don't always get the opportunity to study this kind of text at A level.

4. How could National College Podcast be improved in the future?

Not sure - thought it was great!

5. Are there any additional comments you would like to make?

Thanks for coming + engaging with us!

Please tick this box if **you are** happy for your answers to be used for public research purposes (for example in research journal articles, published on an academic blog, or used to evidence impact and reach of research in university and public reports). All quotes will be anonymised.
