

Write a message to your future self here. You may want to note down something you want to remember about the lecture/workshop, and comment on how you plan to use what you've learned.

I was able to learn and be able to put my analytical skills to the test which has helped me to then understand how this would be adapted to my unseen poetry. Section. It was a challenge that I enjoyed in participating and it meant that I was able to understand a passage without the context behind it.

Thanks

Contact data is stored securely by the University of Salford in accordance with GDPR. We will not use your contact email for any purpose or pass to third parties. Please be aware that queries from the postcard may be used for research purposes (for example in research journal articles, published on an academic blog, or used to evidence research impact in university and public reports). Please only send the postcard if you are happy for your anonymous/unidentified comments to be used in this way. Your postcard will be returned to you six weeks after collection and you will be invited to complete a short survey to find out if you were able to use what you learned. And questions that touch ask@ask.salford.ac.uk will be asked as well.

This exercise was extremely helpful, it opens a lot of doors for future opportunities as well. Especially applying to universities it helps to show my ~~motivation~~ ^{motivation} and ~~writing~~ ^{writing} will be good and beyond for my future subjects.

It's a pleasure to study English, I have many opportunities to really absorb a piece of writing. Every word has meaning, I just need to find it. A

I really had fun & I would love to
got a chance to use this opportunity
but what I usually to maybe help me
try to do with any improve my analysis
piece of media I & public speaking.
Consume into practice. As well as maybe
I want to remember help me in future
that I want to do this again. learning.

Today was pretty fun
I found my confidence
in using podcast equipment
as well as being a
great presenter
