

Health and Safety Hazard Hunter Instructions

You will find four decks of cards on your bench:

Symbol

Hazard

Definition

Example

1. Start by shuffling each deck individually (i.e only mix symbol with symbol cards).
2. Lay out all 9 **symbol** cards (red) on the bench.
3. Match the appropriate **hazard** card (green) with the **symbol** card.
4. Match the appropriate **definition** card (blue) with the **symbol** and **hazard** card.
5. Match the appropriate **example** card (yellow) with the **symbol**, **hazard** and **definition** cards.
6. Check your answers with a staff member.
7. Once completed, return cards to appropriate deck.
