INSTRUCTIONS

Task: Participants are presented with an ordered series of colored drawings and they are asked to name the entity depicted.

Materials and procedure: The whole list of items comprises 65 drawings and each participant needs to complete the whole booklet three times (one in each target language), in this precise order: 1st Spanish, 2nd Basque, 3rd English.

Responses: The preferred responses per language are provided (in black), together with the non-preferred yet valid responses that can be also accepted (in italic grey font).

Scoring: The scoring per language is done based on the number of correct responses, and it ranges from 0 to 65.
