PARENT INFORMATION SHEET

Dear parent/guardian,

We seek your help to have this short survey completed. We are inviting Secondary 3 students in Singapore to answer questions about **peanut, nut and seafood allergies**, with the approval of the Ministry of Education. Your child has indicated that he/she has at least one of the allergies listed above. We ask that you help your child complete this simple questionnaire. **The information you provide will be treated confidentially**. It will help medical authorities understand allergic diseases better and formulate management strategies for our Singapore schoolchildren. Hence, your participation will be greatly appreciated. Simply return the completed form to us using the pre-paid envelopes.

In case you require any medical advice with regards to your child's food allergy, kindly call our hotline 91380032 during office hours.

Thank you very much for your kind co-operation, it is greatly appreciated.

Yours sincerely,

Dr Lynette Shek
Department of Paediatrics
National University of Singapore
