

Appendix B: Basic Statistics (ASN 2012)

Table 1 shows basic statics of the 2012 session of the ASN for each recruitment field. In the second column, "B" and "NB" denotes bibliometric and non-bibliometric recruitment fields, respectively. The other columns show the number of applicants, number of habilitations and fraction of habilitations for each professional level (i.e. full professor and associate professor). These data are coherent with the data reported in [1].
