

SUPPLEMENTARY MATERIAL

Targeting Peroxisome Proliferator Activated Receptor α (PPAR α) For the Prevention of Mitochondrial Impairment and Hypertrophy in Cardiomyocytes

Dipak Kar Arun Bandyopadhyay

Cell Biology and Physiology Division, CSIR - Indian Institute of Chemical Biology, Kolkata, India

Supplementary Material Nr.1: Movie 1
Supplementary Material Nr. 2: Movie 2
Supplementary Material Nr. 3: Movie 3
Supplementary Material Nr. 4: Movie 4
Supplementary Material Nr. 5: Movie 5
Supplementary Material Nr. 6: Movie 6
Supplementary Material Nr. 7: Movie 7
Supplementary Material Nr. 8: Movie 8
