

Heart of the corn snake, 20 dpl

lumen

pulmonary vein

cushions

sinus venosus

sinuatrial valves

atria

septum spurium

atrioventricular canal

ventricle

bulboauricularlamella

vertical septum

muscular ridge

bulbuslamelle

conus

Heart of the corn snake, 26 dpl

lumen

pulmonary vein

cushions

sinus venosus

sinuatrial valves

atria

septum spurium

atrioventricular canal

ventricle

bulboauricularlamella

vertical septum

muscular ridge

bulbuslamelle

conus
