

Heatmap: ILs with significant p-value in trait comparison to M82  
ILs clustered by abs. Pearson corr. of p-value

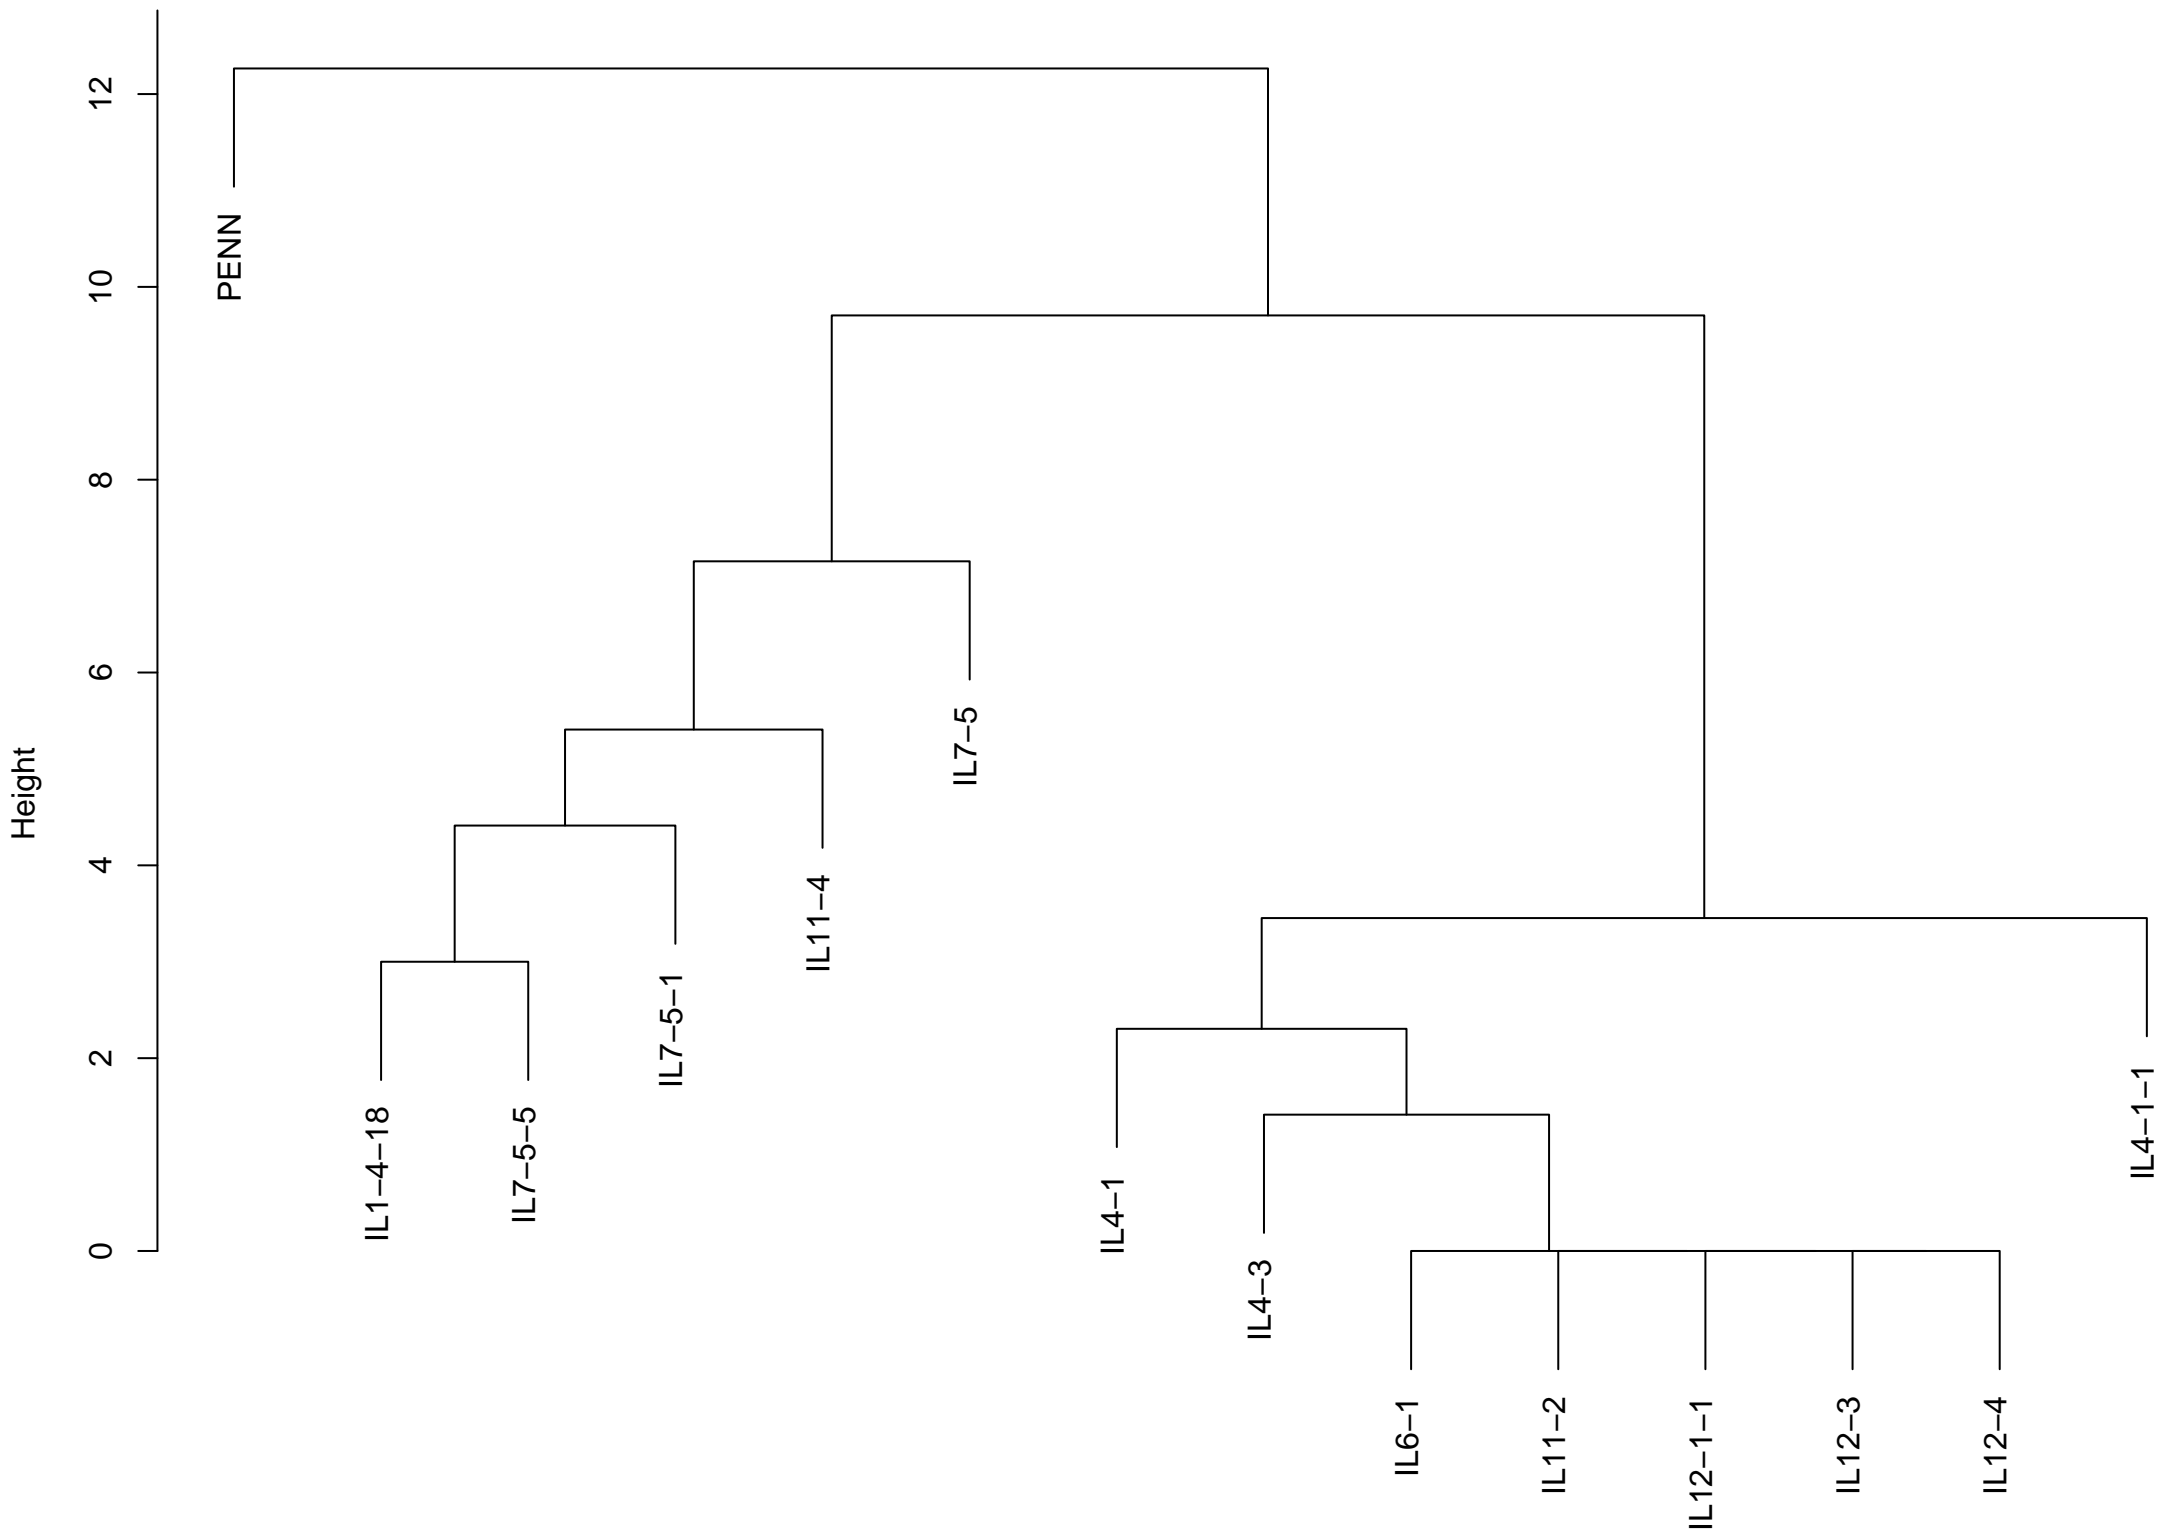

(yellow/blue version for the color-impaired)

p-value threshold, yellow: mean < M82 mean, blue: mean > M82 mean

**ILs clustered by abs. Pearson corr. of each trait's p-value for comparison to M82**

dfRow  
Agglomerative Coefficient = 0.75

(yellow/blue version for the color-impaired)
