Faculty of Built Environment and Design
Curtin University of Technology

Dear Mr Hayes

RE: *Field: Found: Form* Sound art/ interactive multi-media project proposal

Thank you for submitting your initial project proposal. It was read with great interest by myself and the Curator. We would like to offer in principal support for your project that you intend to present in 2004 in the Goldfields Arts Centre.

We understand through the initial discussions that the Goldfields Arts Centre will host the interactive multimedia project and exhibition in the ensemble room with additional workshops and community talks with the local community.

At this stage we think that it would be best to host this project during the school term breaks rather than during semester as the Ensemble rooms is heavily used. The following times could be then from:

Mid-Year:	Saturday 10 July - Sunday 25 July
Mid-Semester:	Saturday 2 October - Sunday 17 October
End-Year:	Saturday 18 December – 15 January (2005)

I look forward to receiving your CV and artists vitae and a more detailed synopsis of the project. I have included a floor plan of the Ensemble room and Goldfields Arts Centre for your information.

Yours sincerely

Nerida Glanfield
Manger
Goldfields Arts Centre
