Submit or vote on topics: <a href="http://fbr.io/sjvft">http://fbr.io/sjvft</a>

Calling the RDA community, come discuss the ideas, issues, topics, challenges, opportunities, or needs **you** want to make progress on within RDA.

Come build bridges, come be inspired!

No experience necessary. Not just for coders at all!

Questions?
Come talk to us at the poster session

"Building the social and technical bridges to enable open data sharing"
