

Integration Between MESAs and ORCID

OAE Publishing Inc.

MESAs and ORCID

MESAs released by OAE publishing Inc. is a simple and easy-to-use online smart review system. It implements three major functions, includes:

1. Manuscript processing
2. Journal management
3. Database management

On June 30th, 2018, OAE obtained its membership in ORCID.

On 28 May 2019, OAE self-developing manuscript processing system, MESAs has finished its function integration with ORCID, and won all five accreditation badges.

Login by ORCID

Two steps:

- Click the button
- Fill in the account and password on ORCID page

The screenshot shows the top navigation bar with the ORCID logo and the text "Cancer Drug Resistance". Below this is a login form titled "Log in to Online Publication System" which includes fields for "Please enter your email address" and "Please enter your password", a "Forgot your password?" link, and a "Log in" button. To the right of the login form is a "Register" section with a "Register as a user" button. At the bottom of the login form, there are social media icons for ORCID, Facebook, Twitter, LinkedIn, and WhatsApp, with the ORCID icon highlighted by a red box.

The screenshot shows a Mozilla Firefox browser window displaying the ORCID sign-in page. The address bar shows the URL: https://sandbox.orcid.org/signin?oauth&client_id=APP-WCJBTEMQLAMPTIV9&response_type=code. The page title is "ORCID - Mozilla Firefox". The main heading is "Sign into ORCID or Register now". Below this are two tabs: "Personal account" (selected) and "Institutional account". The sign-in section is titled "Sign in with your ORCID account" and contains two input fields: "Email or ORCID ID" with the value "maverick_ljw@sina.com" and "ORCID password" with masked characters. A blue "Sign into ORCID" button is positioned below the fields. At the bottom of the sign-in section, there is a red link: "Forgotten your password? Reset it here". At the very bottom of the page, there is a section for "Sign in with a social media account" with icons for Facebook and Google.

Submission Page (Funding)

- When the author contributes, he can get the Funding information from ORCID and fill it in the Funding information automatically
- The author can also synchronize the new Funding information written in the system to his ORCID record

The screenshot shows the ORCID profile page for a user with ID <https://orcid.org/0000-0002-0209-0586>. The page features a search bar at the top, navigation links for 'EDIT YOUR RECORD', 'ABOUT ORCID', 'CONTACT US', and 'HELP', and a language dropdown set to 'English'. The profile header includes the ORCID logo and the tagline 'Connecting Research and Researchers'. A green starburst icon highlights the 'ORCID ID' field. The 'Funding (1)' section is expanded, showing a funding record for 'Cellular response to modulation of iron levels: studies examining ASK1, thioredoxin and ribonucleotide reductase' from the National Health and Medical Research Council (n/a), dated 2012-01-01 to 2014-01-01. The grant number is 1035762, and the URL is <https://grants.uberresearch.com/501100000925/1035762/Cellular-response-to-mo...>. The source is 'ÜberWizard' and it is marked as a 'Preferred source'. A red circle highlights the funding record details.

Publication Record

- For published manuscripts, the author can operate synchronization to ORCID Work. After the first synchronization, the author will be asked if automatic synchronization is allowed. If the author allows it, then any published work by the author will be automatically synchronized to the author's ORCID account

The screenshot displays the ORCID interface for a user with the role of 'Author'. The top navigation bar includes the ORCID logo, the text 'Cancer Drug Resistance', the role 'Author', and the user's ORCID ID '0000-0001-8567-882X'. The main content area is divided into a 'Personal Center' sidebar and a 'Manuscript List' table. The 'Personal Center' sidebar contains links for 'Modify the Password', 'Update My Profile', 'Submissions', 'Start New Submission', and 'My Manuscripts'. The 'Manuscript List' table shows two entries, with the first one highlighted by a red box. A modal dialog box is overlaid on the table, displaying a green checkmark and the text 'Synchronization is done. Would you like to synchronize your manuscript automatically next time?' with 'Cancel' and 'OK' buttons. Below the modal, the ORCID logo and navigation links are visible. The bottom section shows the 'ORCID ID' 'https://orcid.org/0000-0002-0209-0586' and a list of works, with the first work 'Proteome-wide tyrosine phosphorylation analysis reveals dysregulated signaling pathways in ovarian tumors.' circled in red.
