

17.1.2013

Alexander Hayes
Phd Candidate
Faculty of Informatics
School of Information Systems & Technology
University of Wollongong, Australia

Invitation

On behalf of the Learning Environments Research Group (LeGroup) of the Department of Media at the Aalto University School of Arts, Design and Architecture, I am pleased to invite you to visit LeGroup as a Visiting Researcher in 2013. Your research and expertise in emerging technologies and their influence in education and society overlap well with the research carried out in our department and the School.

During your visit we expect that you will advantage your Phd research and work with the researchers of the Department. We assume you will also co-author and publish with our researchers.

We look forward to meeting you in Helsinki, Finland and to work together with mutual areas of interest.

Sincerely,

Teemu Leinonen
Associate Professor
Media Lab Helsinki, Department of Media

Faculty of Informatics

To: Publicity Team Aalto University
From: Bonnie Evans, Faculty of Informatics, University of Wollongong
Date: 4th February, 2013

Dear Sir / Madam:

This letter is to confirm that Alexander Hayes, who is a PHD candidate from the Faculty of Informatics at the University of Wollongong, Australia, has been accepted by Learning Environments Research Group (LeGroup), of the Department of Media at the Aalto University School of Arts, Design and Architecture as a visiting Researcher in 2013.

He will visit Aalto University, Helsinki, Finland between 28th February and 18th March 2013. During his visit he will advantage his PhD research and work with researchers of the Department. Alexander's research and expertise in emerging technologies and their influence in education and society also overlap well with the research carried out in our department and the school.

The University of Wollongong will be covering Alexander's general living expenses whilst in Finland. He will also be covered by the University of Wollongong business travel insurance scheme.

Yours sincerely

Bonnie Evans
International Travel Coordinator
Faculty of Informatics
University of Wollongong
