

Supplemental Table. An overview of studies that used the Cambridge Colour Test in basic or applied investigations (from the year of the test development).

Authors (year)	Country	Research		Subtest	
		Basic	Applied	Trivector	Ellipses
Regan et al. (1994)	UK	X		X	X
Regan et al. (1998)	UK		Parkinson's disease	X	
Simunovic et al. (1998)	UK		Dominant optic atrophy		X
Crognale et al. (2000)	USA		Cone dysfunction syndrome	X	X
Schupp et al. (2003)	USA		Adult cystic fibrosis	X	
Ventura et al. (2003a)	Brazil	X		X	X
Ventura et al. (2003b)	Brazil		Diabetes	X	
Castelo-Branco et al. (2004)	Portugal		Ocular hypertension, glaucoma	X	X
Delahut et al. (2004)	USA		Post-cataract normalization		X
Silva et al. (2005)	Portugal		Parkinson's disease	X	X
Ventura et al. (2005)	Brazil		Mercury intoxicated industry workers	X	X
Costa et al. (2006)	Brazil	X		X	X
Mancuso et al. (2006)	USA		Adaptation for animals	X	
Thyagarajan et al. (2007)	UK		Refractive blur	X	
Ventura et al. (2007)	Brazil		Leber hereditary optic neuropathy	X	
Goulart et al. (2008)	Brazil	X		X	
Moura et al. (2008)	Brazil		Multiple sclerosis	X	
Fu et al. (2009)	UK/Spain	X		X	
Tait & Carroll (2009)	USA		Protan and deutan carriers	X	
Feitosa-Santana et al. (2010)	Brazil/Germany		Diabetes type 2	X	X
Willmann et al. (2010)	Germany/USA/Nepal		High altitude hypoxia (Mt. Everest)	X	
Wuerger et al. (2010)	UK	X		X	
Hovis (2011)	Canada	X			X
Reis et al. (2011)	Portugal		Multiple sclerosis	X	
Costa et al. (2012)	Brazil		Exposure to organic solvents	X	X
Ribeiro et al. (2012)	Portugal		Neurofibromatosis	X	
Hovis et al. (2011)	Canada		Mild hypoxic environment		X
Paramei (2012)	UK	X		X	X
Reis et al. (2008)	Portugal		Leber hereditary optic neuropathy	X	
D'Almeida et al. (2013)	Portugal		Carriers of Leber hereditary optic neuropathy	X	
Gualtieri et al. (2013)	Brazil		Diabetes	X	X
Martins Rosa et al. (2013)	Portugal		Assessment of post-cataract surgery intraocular lenses	X	
Mateus et al. (2013)	Portugal	X		X	
Reis et al. (2013)	Portugal		Autosomal dominant optic atrophy	X	

Dees & Baraas (2014)	Norway	X		X	X
Paramei & Oakley (2014)	UK	X		X	X
Reis et al. (2014)	Portugal		Diabetic retinopathy	X	
Souza et al. (2014)	Brazil	X			X
Hasrod (2016)	South Africa	X		X	X
Huchzermeyer et al. (2016)	Germany		Retinal, optic nerve and systemic diseases	X	
Mendez et al. (2016)	Brazil	X			X
Shinomori et al. (2016)	USA	X		X	
Tregillus et al. (2016)	USA	X		X	
Werner (2016)	USA	X		X	
Alvaro et al. (2017)	Portugal	X		X	
Costa et al. (2017)	Brazil	X		X	
Fernandes et al. (2017)	Brazil		Type 1 bipolar disorder	X	X
Majander et al. (2017a)	UK		Autosomal dominant optic atrophy	X	
Majander et al. (2017b)	UK		Leber hereditary optic neuropathy	X	
Neto et al. (2017)	Brazil		Exposure to organic vapours		X
Zachi et al. (2017)	Brazil	X	Autism Spectrum Disorder	X	
Bodduluri et al. (2018)	Australia	X		X	
de Andrade et al. (2018)	Brazil	X		X	X
de Loureiro et al. (2018)	Brazil	X			X
Kumaran et al. (2018)	UK		Leber congenital amaurosis	X	X
Pedersen et al. (2018)	Norway		Aniridia	X	
Fernandes et al. (2019a)	Brazil		Schizophrenia	X	X
Fernandes et al. (2019b)	Brazil		Tobacco use disorder	X	X
Hasrod & Rubin (2019)	South Africa	X		X
