# CSSI Framework: Machine Learning Materials Innovation Infrastructure

PI: Dane Morgan<sup>1</sup>, Co-Pis: Ryan Jacobs<sup>1</sup>, Paul Voyles<sup>1</sup>, Michael Ferris<sup>1</sup>, Ben Blaiszik<sup>2</sup>

Institutions: <sup>1</sup>University of Wisconsin, Madison, WI, <sup>2</sup>University of Chicago, IL

## Goal

Support rapid development of machine learning applications in MS&E through (i) easy access to data, (ii) cloud-based tools for application of ML, and (iii) support for human and machine accessible and sustainable access to disseminated ML models.
