

LIMPID: Large-Scale Image Processing Infrastructure Development

PI: B.S. Manjunath, Co-Pis: T. Pollock, A.R. Chowdhury, N. Merchant, R. Miller

Institutions: UC Santa Barbara, UC Riverside, U. Arizona

Award #: 1664172

Significance

- Organizing, sharing and collaborating with multimodal data not easy
- Need for robust, reproducible image analysis workflows
- Need for scalable computation
- Emerging transformative machine learning solutions
- Interdisciplinary research : Each problem slightly different
