Scopus*

IJPL provides a forum for international discussion on all aspects of private law including audio-visual, media, communication and space law, which have not been covered by any journals so far. It explores legal issues facing individuals, entrepreneurs and business owners, and discusses provocative and timely issues facing both the national and international community. *IJPL* is dedicated to providing comprehensive, practical, reliable and current information for practicing attorneys, judges, students and academics regarding the practice of private law worldwide.
