

Residual plots: humpback – tourist vessel-based sampling

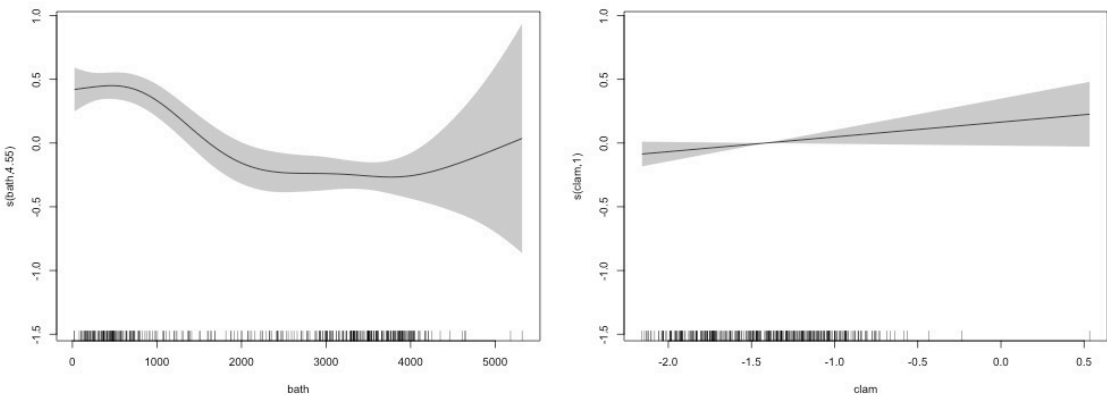

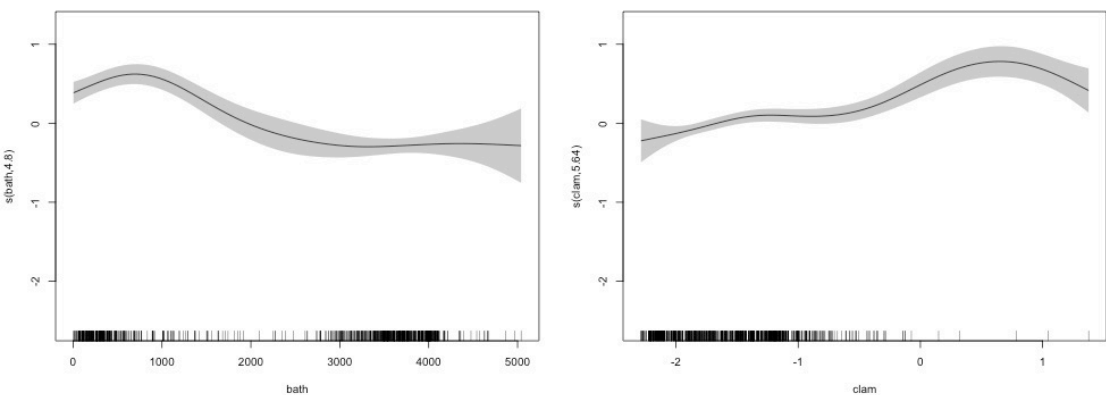

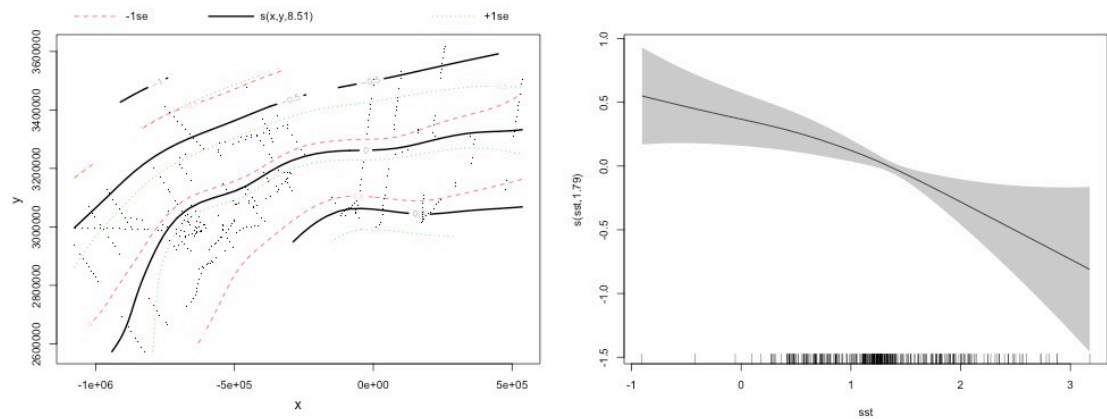

– science vessel-based sampling

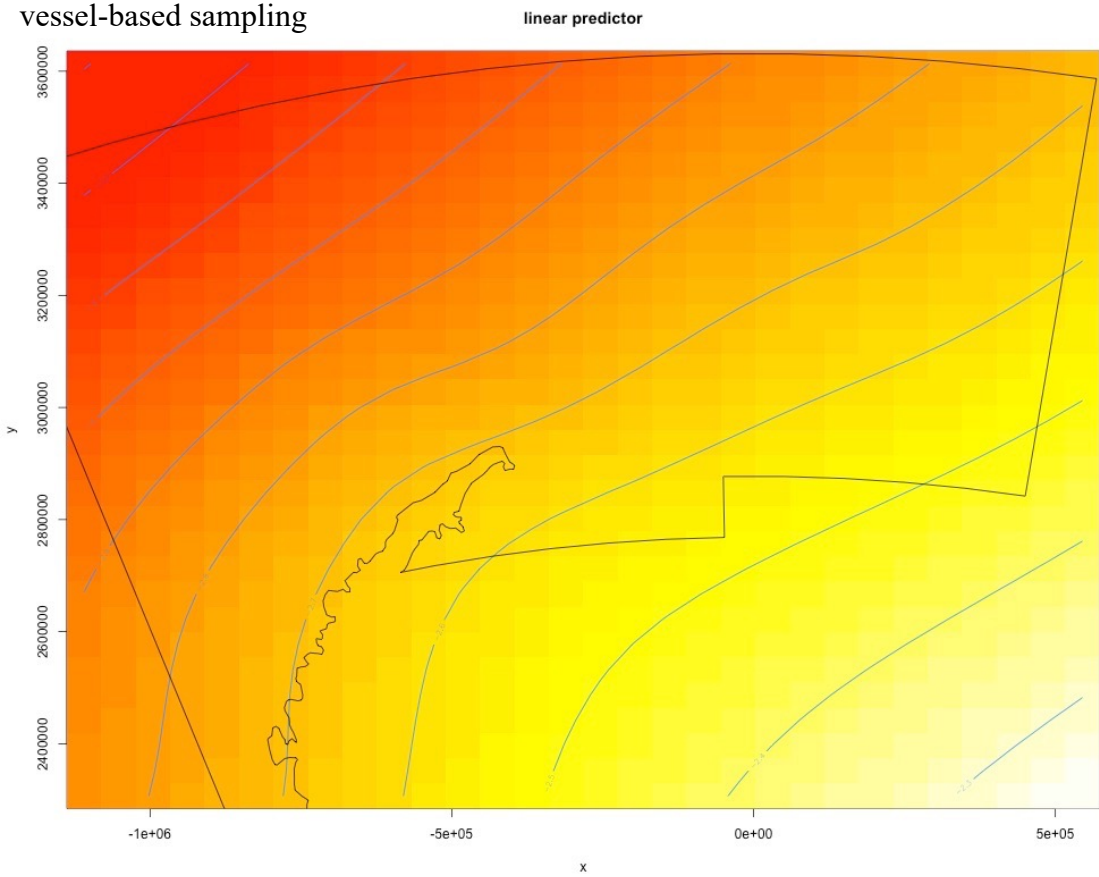

Smoothed covariate plots: humpback – tourist vessel-based sampling

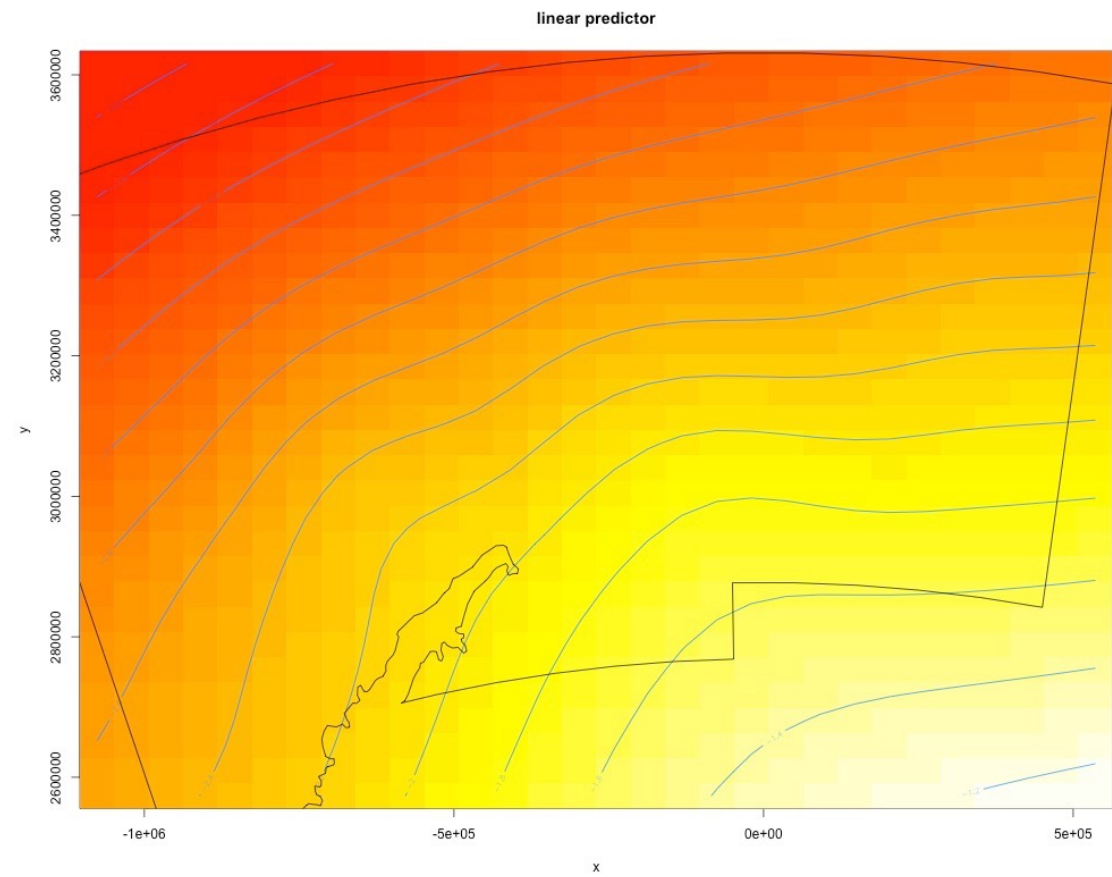

– science vessel-based sampling

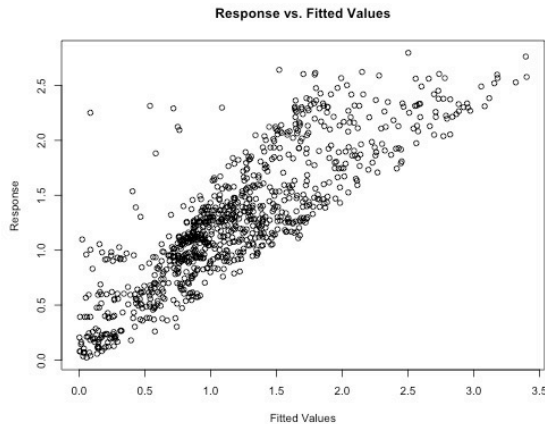

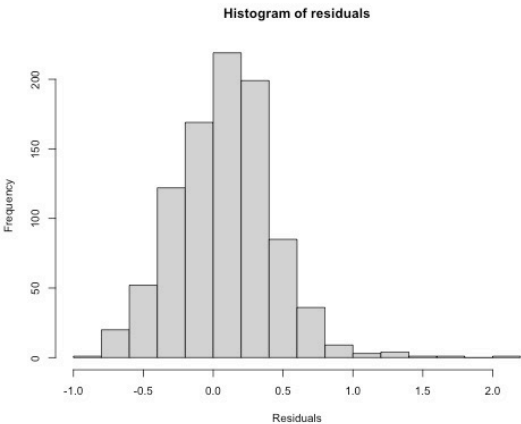

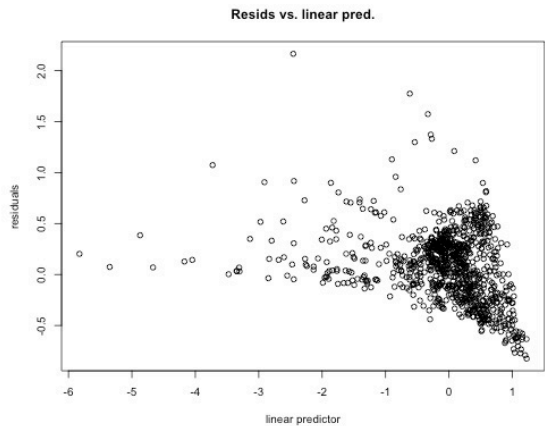

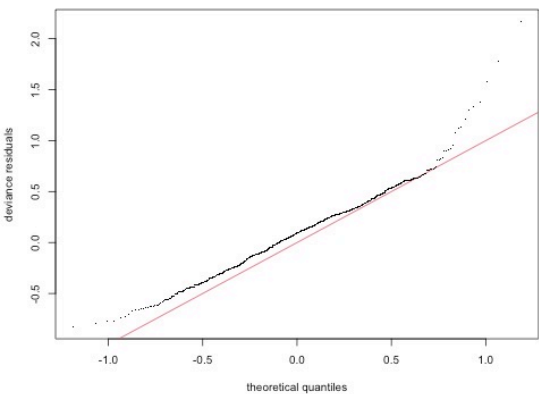

Contour plot of spatial (x,y) smooth with study area overlaid: humpback,— tourist vessel-based sampling

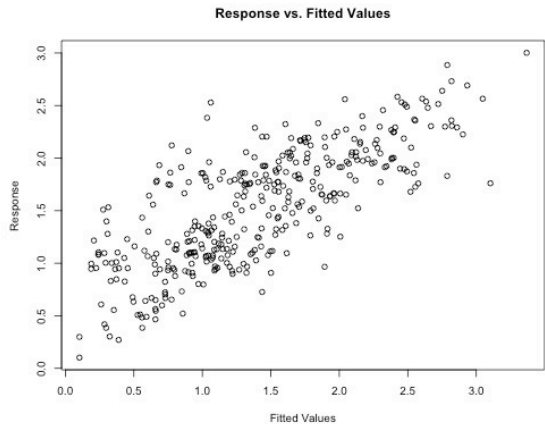

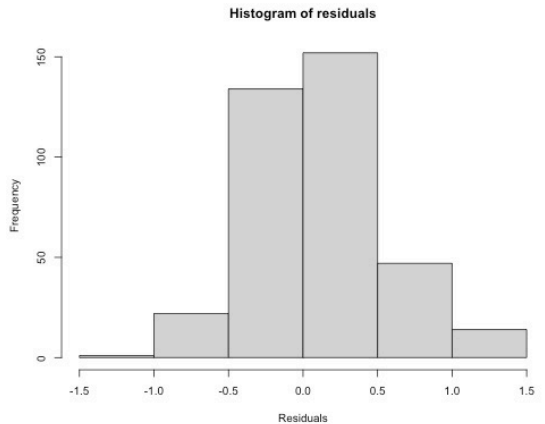

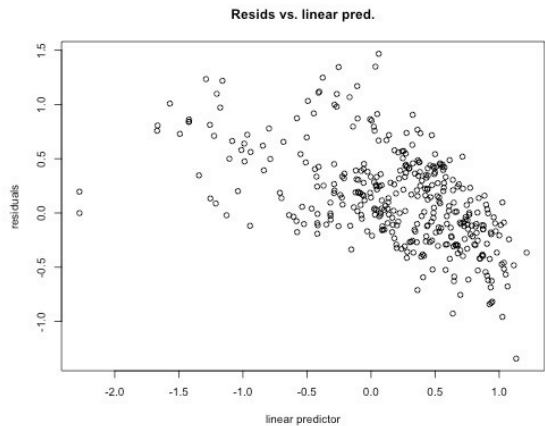

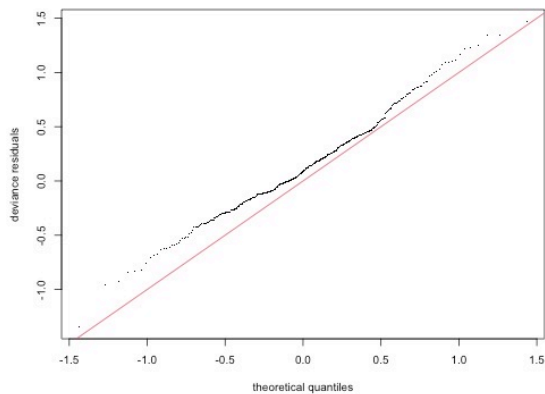

— science vessel-based sampling

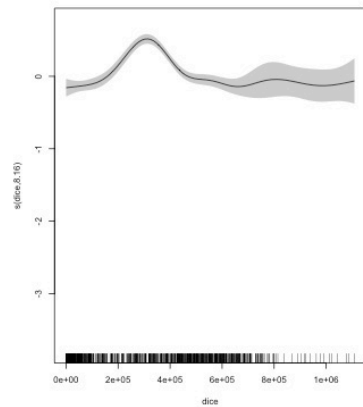

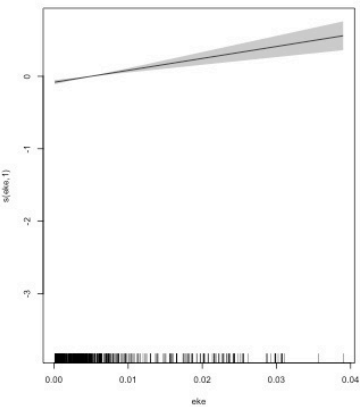

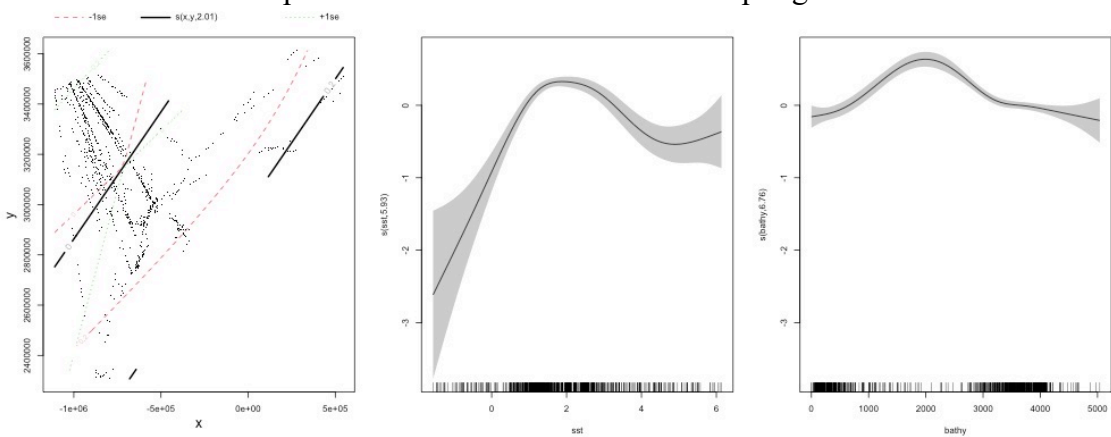

Residual plots: fin – tourist vessel-based sampling

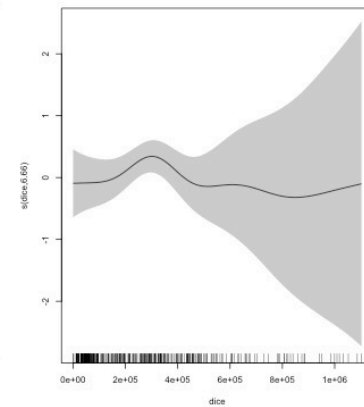

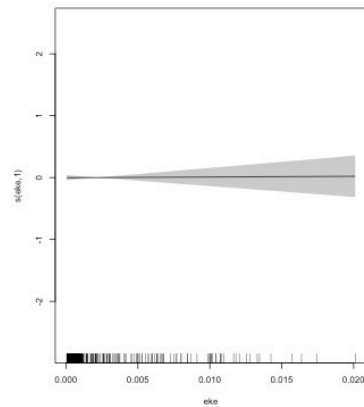

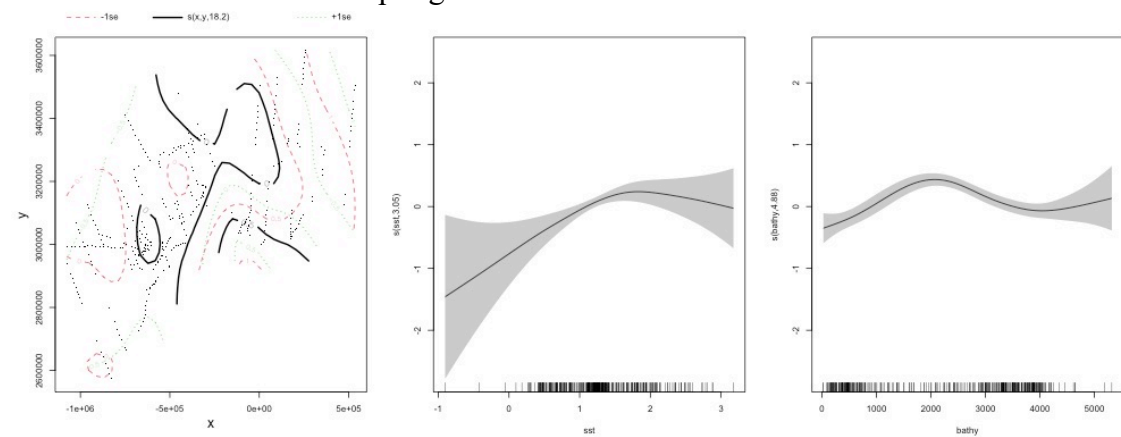

– science vessel-based sampling

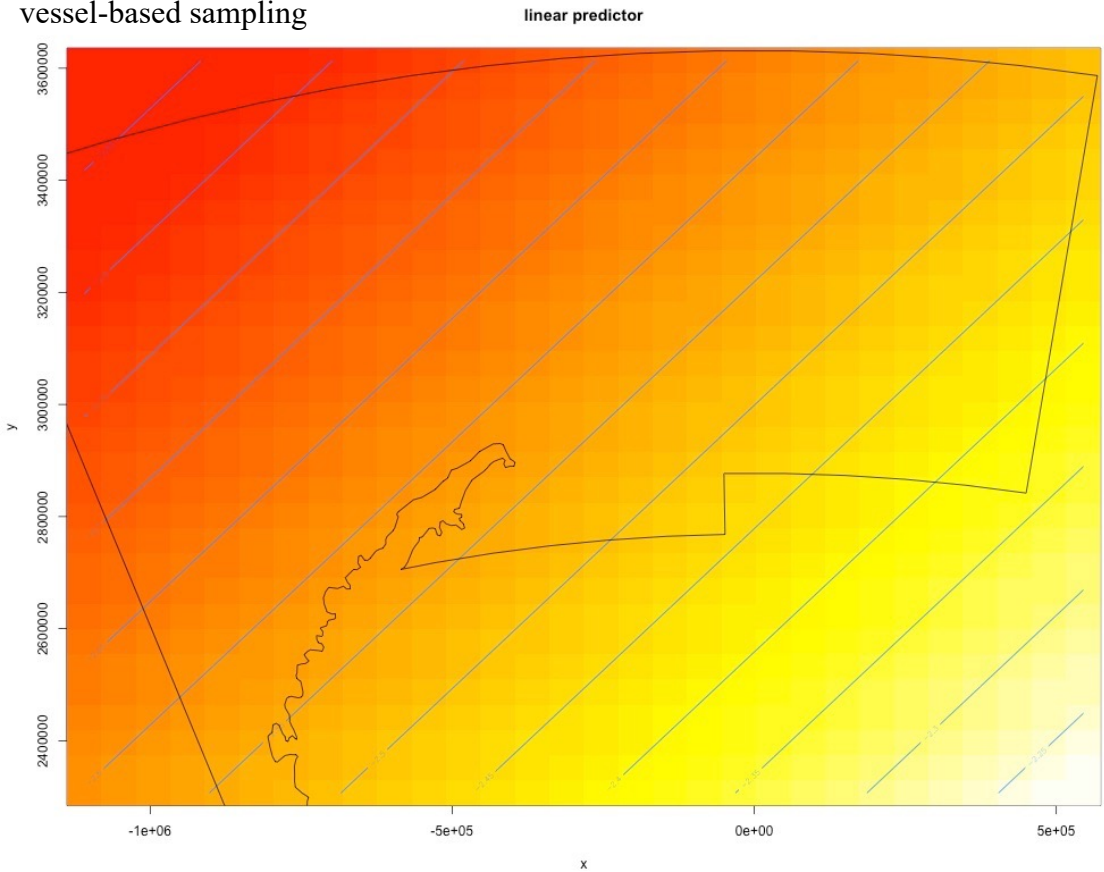

Smoothed covariate plots: fin – tourist vessel-based sampling

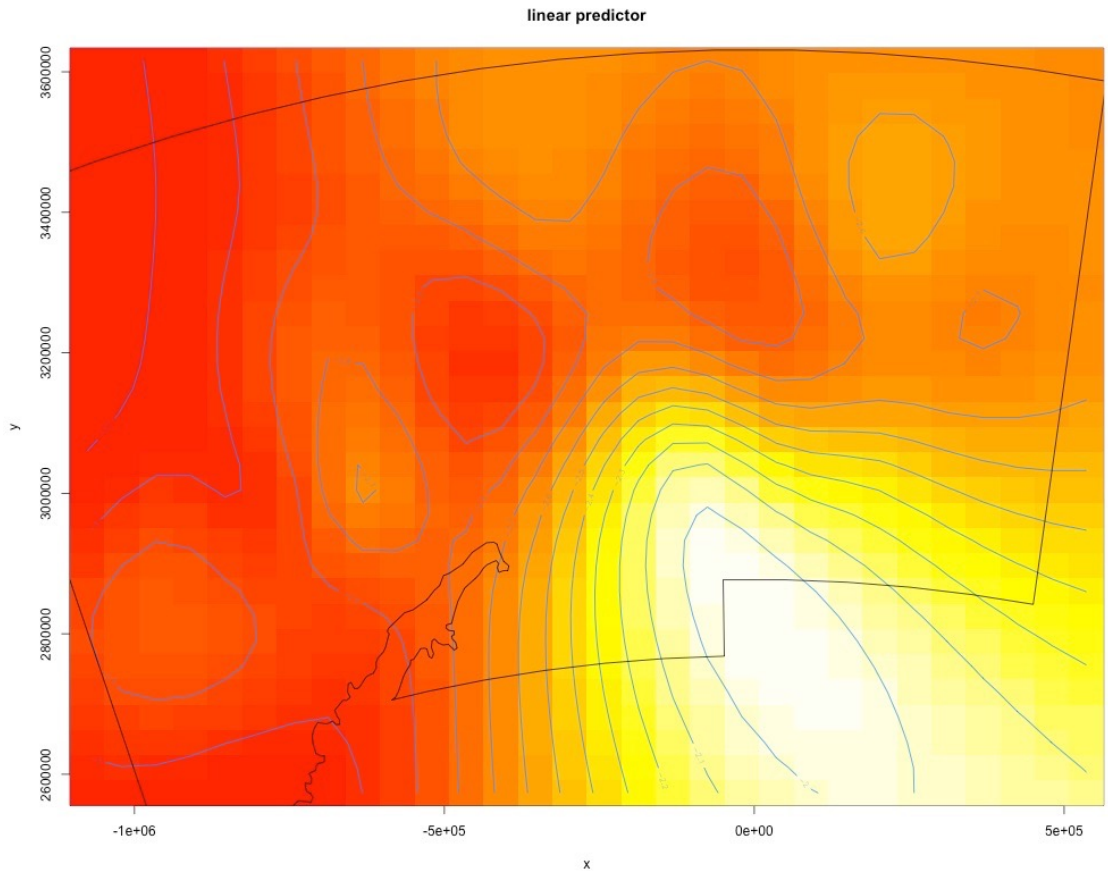

– science vessel-based sampling

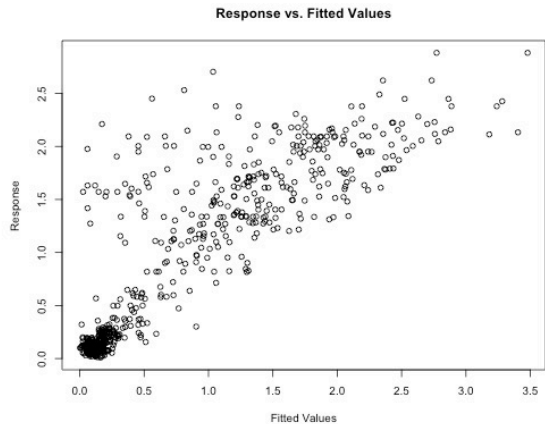

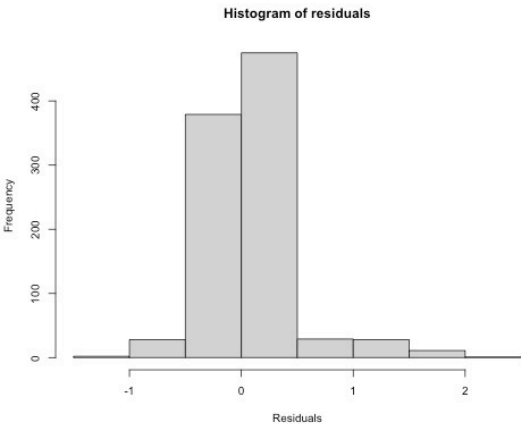

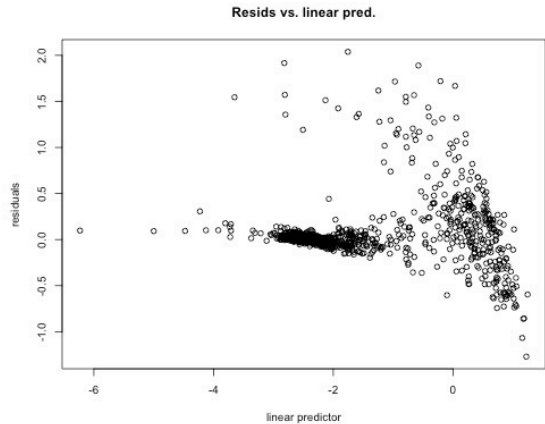

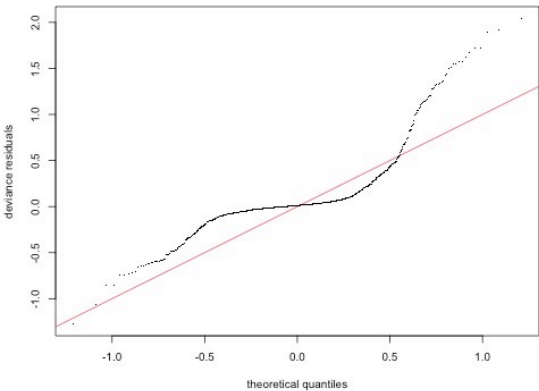

Contour plot of spatial (x,y) smooth smooth with study area overlaid: fin – tourist vessel-based sampling

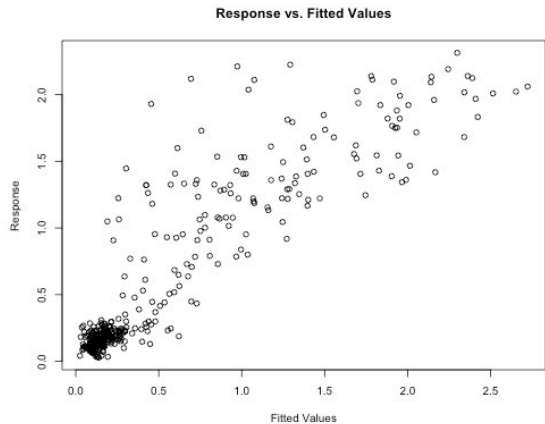

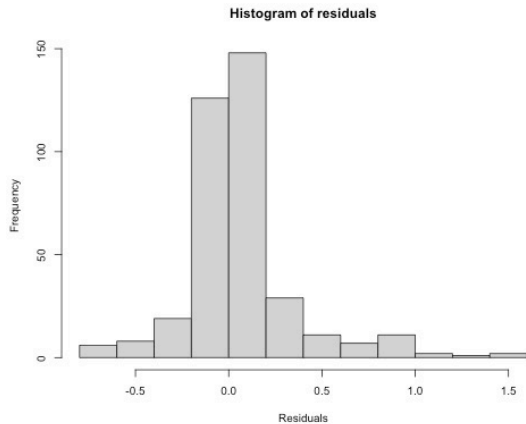

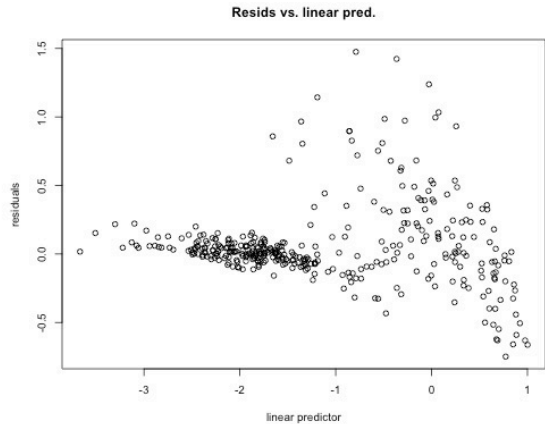

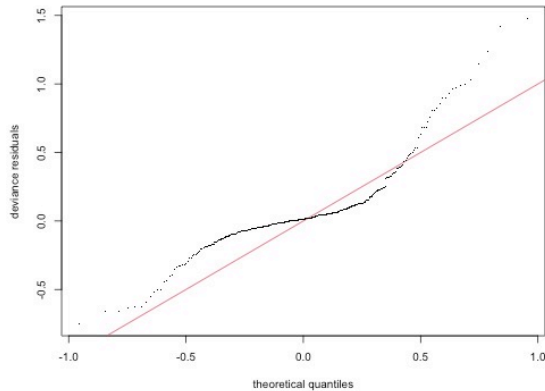

– science vessel-based sampling

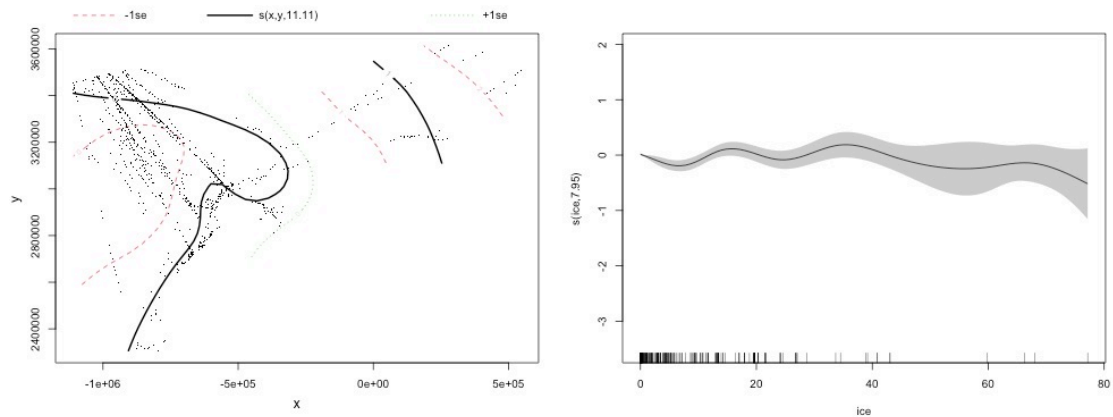

Residual plots: minke – tourist vessel-based sampling

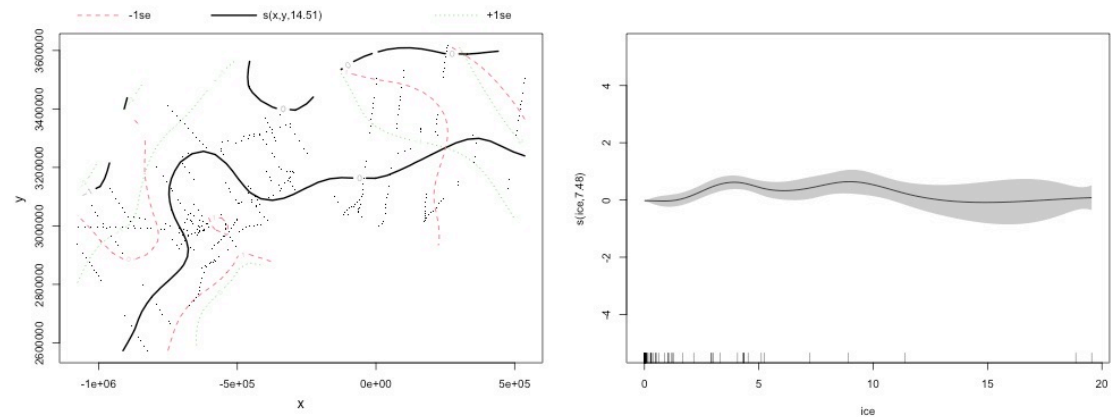

– science vessel-based sampling

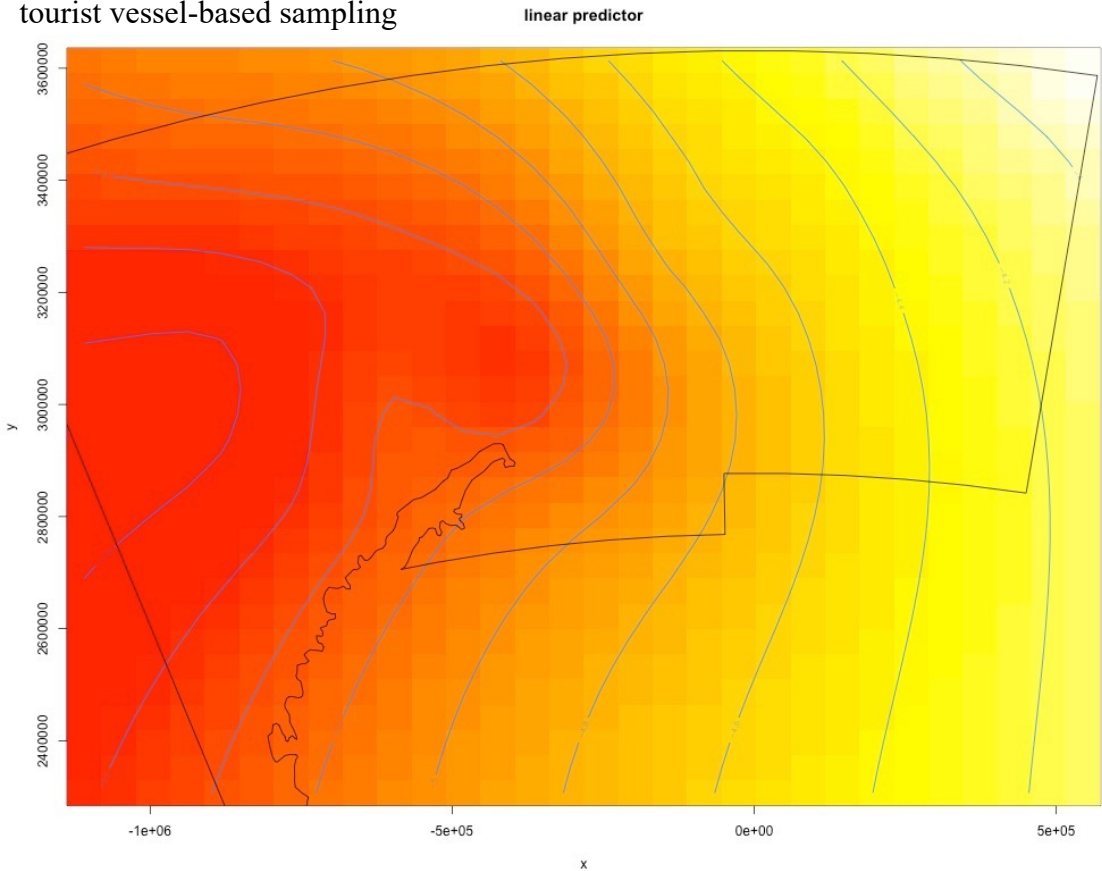

Smoothed covariate plots: minke – tourist vessel-based sampling

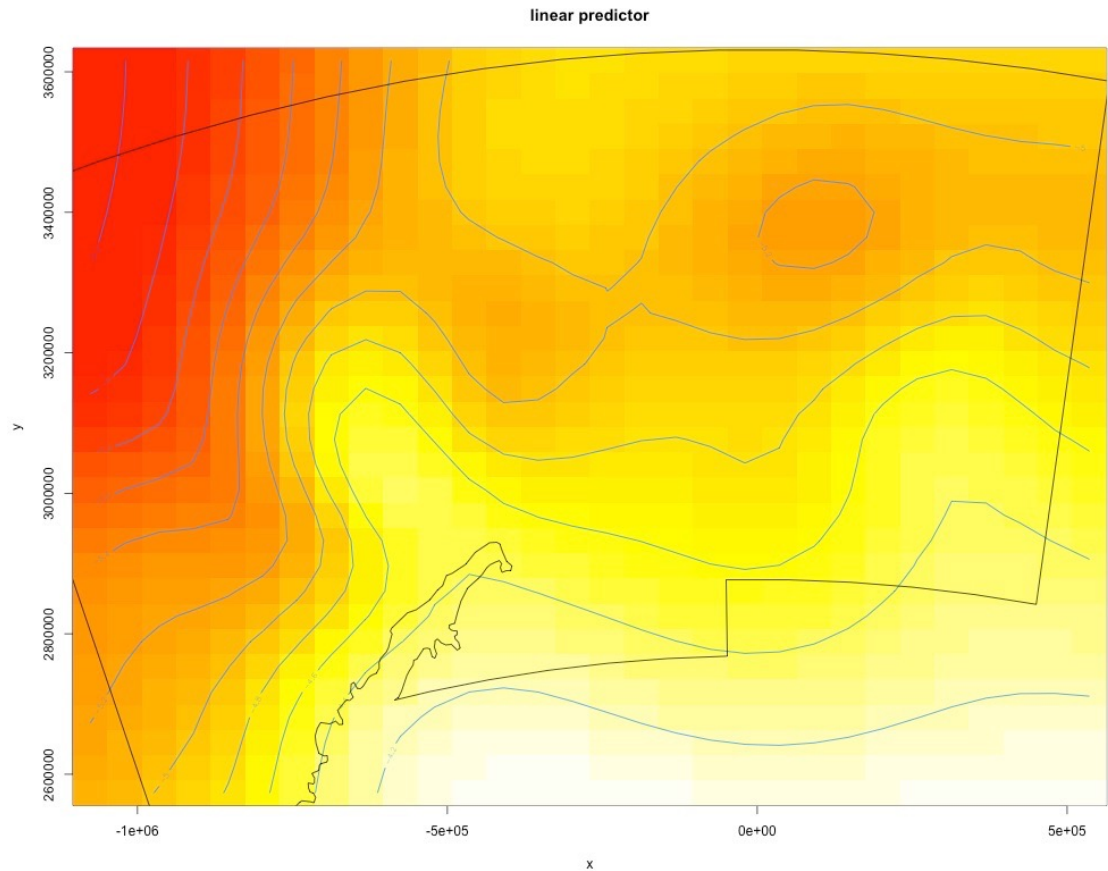

– science vessel-based sampling

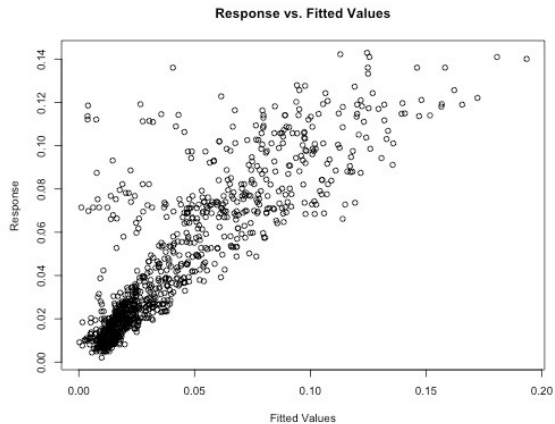

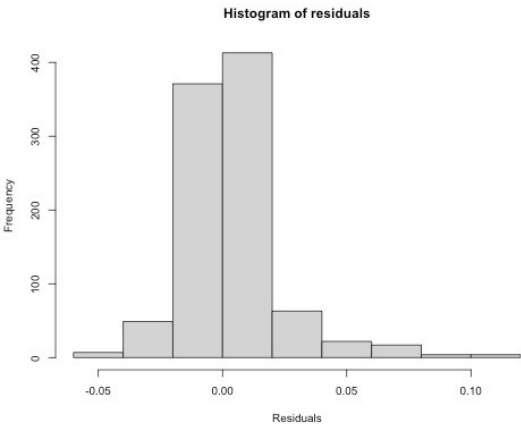

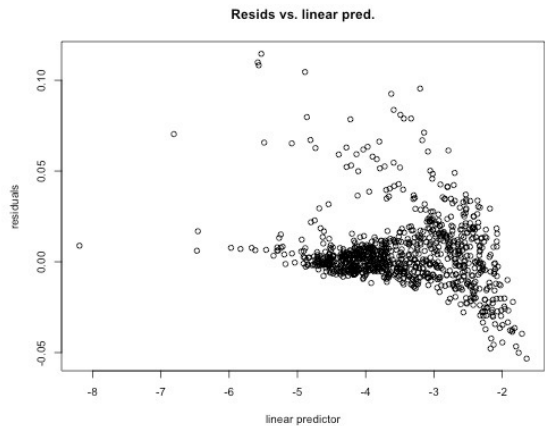

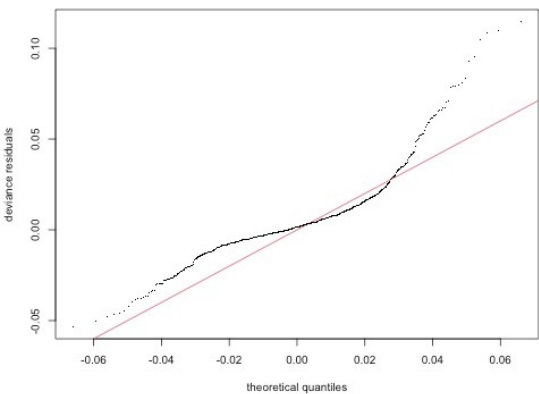

Contour plot of spatial (x,y) smooth smooth with study area overlaid: minke – tourist vessel-based sampling

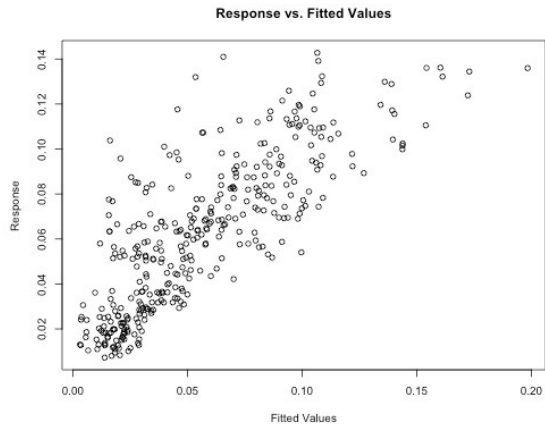

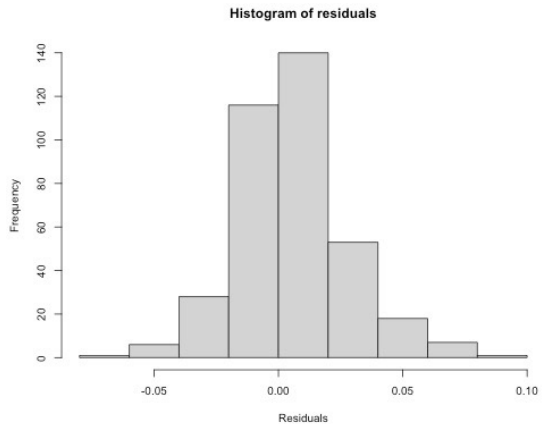

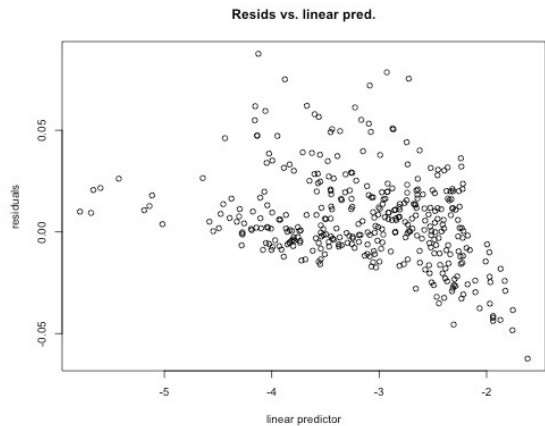

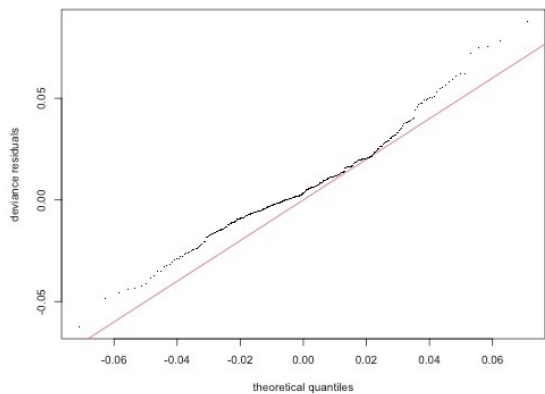

– science vessel-based sampling

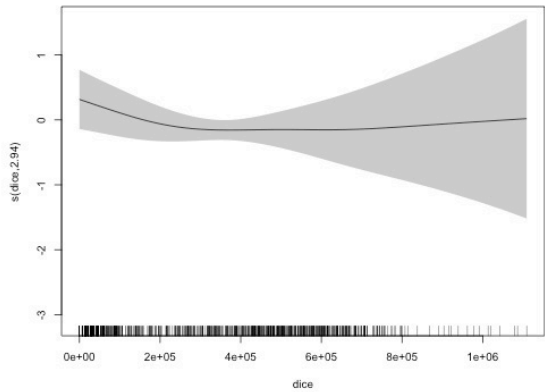

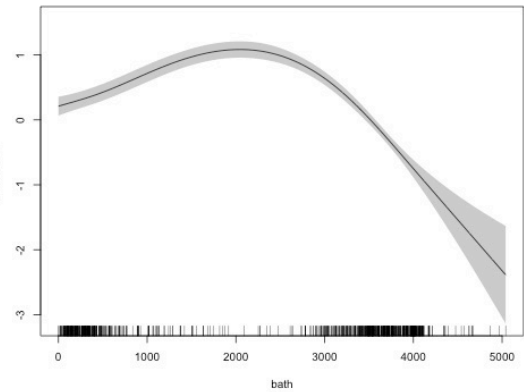

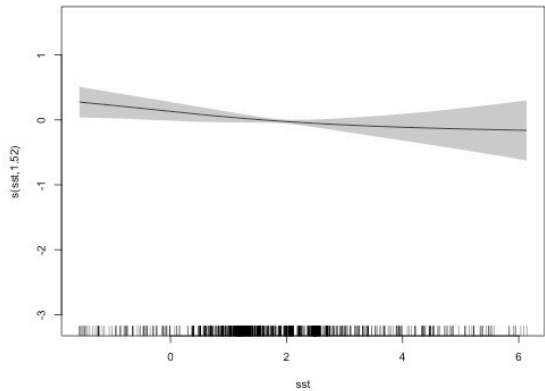

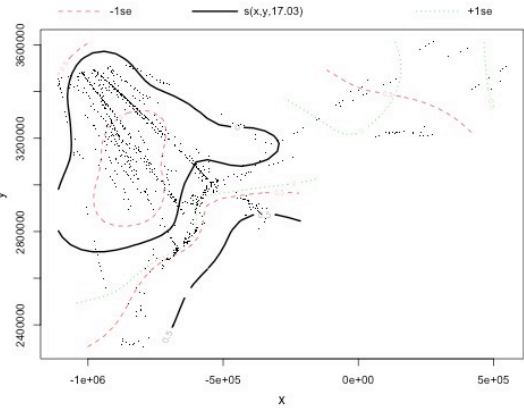

Residual plots: blue – tourist vessel-based sampling

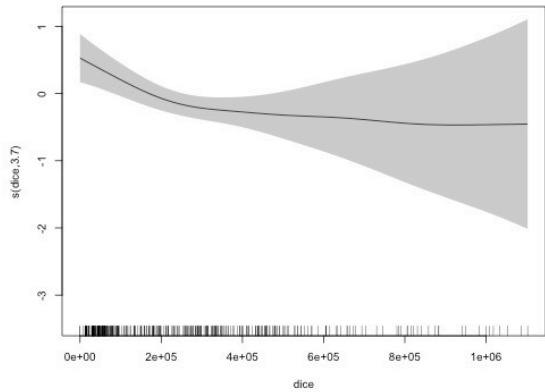

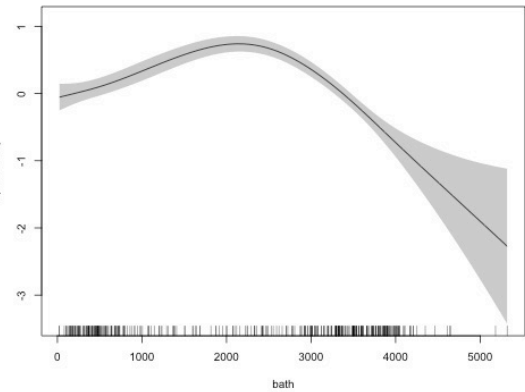

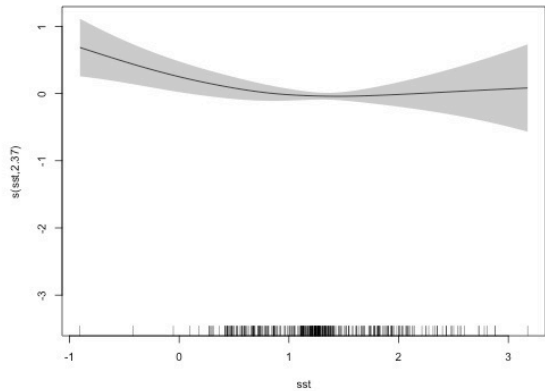

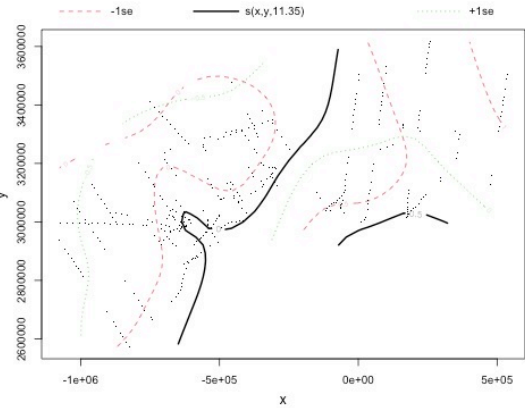

– science vessel-based sampling

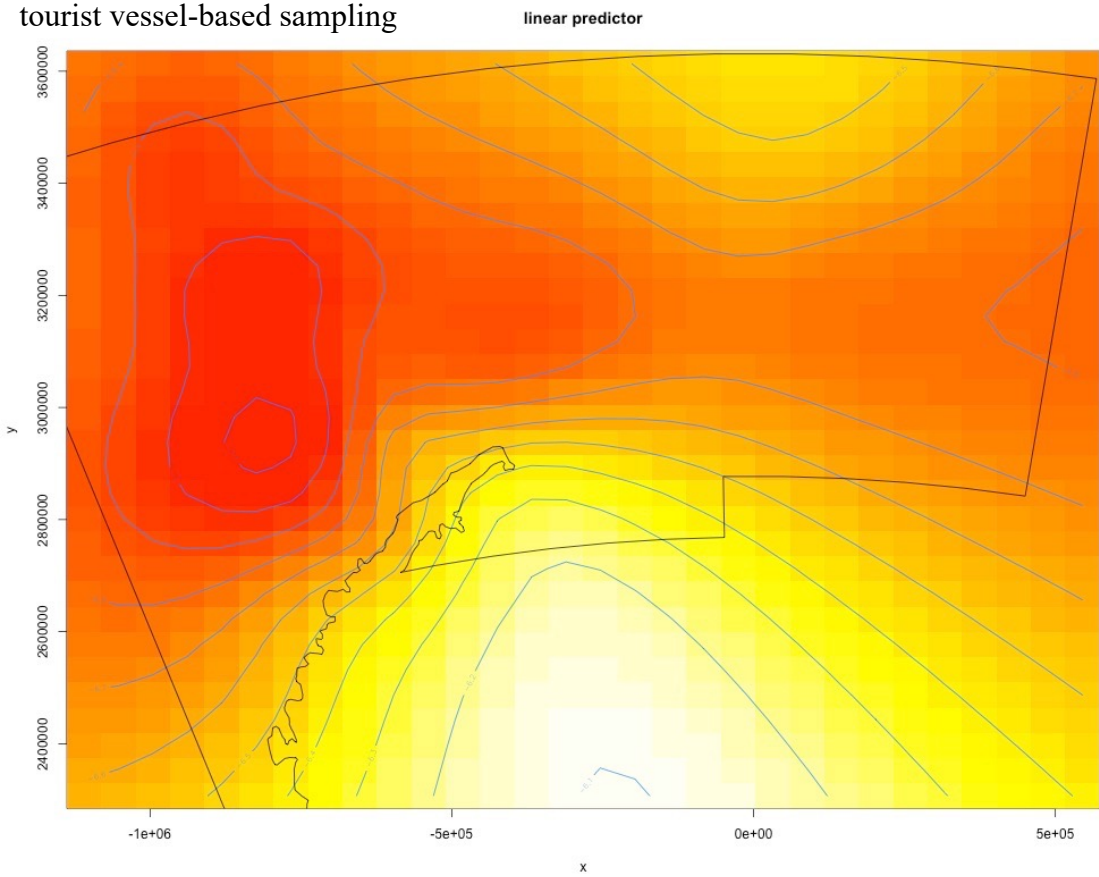

Smoothed covariate plots: blue – tourist vessel-based sampling

– science vessel-based sampling

Contour plot of spatial (x,y) smooth smooth with study area overlaid: blue – tourist vessel-based sampling

– science vessel-based sampling
