

A vibrant night scene of a city harbor, likely Gothenburg, Sweden, celebrating its 400th anniversary. The sky is filled with a massive display of colorful fireworks in shades of purple, blue, green, and yellow. In the foreground, a large, dark sailing ship with multiple masts is positioned in the center of the harbor. The water reflects the lights from the fireworks and the city. On either side of the harbor, the city's architecture is visible, with buildings illuminated by warm lights. A large crowd of people is gathered along the waterfront, watching the celebration. The overall atmosphere is festive and celebratory.

Welcome to
Gothenburg

400 years

28th Nordic Workshop on Bibliometrics and Research Policy

Gothenburg, Sweden

11–13 October 2023

Sponsored by:

CHALMERS
UNIVERSITY OF TECHNOLOGY
